PLEASE HELP

We have already seen days of 80 and even 100 players. It is important that you **MAKE TEE TIMES**. This will ensure that you have a spot on the tee and also help our staff with our preparation for each day.

From the Course

We are sad to announce that Justin Lanford, our course Superintendent since June 2015, has left for a new position that began on April 2nd. Justin has accepted the Superintendent position at Starkville Country Club. If you see him out here playing golf or consulting, please take a moment and thank him for his 2 ½ years of service to Elm Lake. The difference he has been able to make in our course and playing conditions in less than 3 growing seasons is really quite astounding.

We are however happy to announce that the Board of Directors has made the decision to promote from within and make Levi Jumper our new Head Superintendent. Levi has been working with us since August of 2017 but has been around the turf industry his whole life. His brother, father and grandfather are all golf course superintendents! He is an excellent worker with many shoulders to lean on and we are excited to see what contributions he can make into making Elm Lake an even better place to work and play!

From Tee's

Crawfish Boils have been in full swing, and we plan to continue serving Crawfish through their season. Keep an eye on our Facebook page and Nextdoor.com for dates and times of all future Crawfish boils.

We would like to introduce our newest team member, the future "Chef" Chrystal Ashford. Chrystal will graduate from the Culinary program at MUW in December. Chrystal and Vernita will continue to bring us great new culinary creations.

As always, Happy Eating!
