From the Course

As you may have noticed we have decided not to aerify the putting greens this year. We did not want to disrupt the good putting surfaces after a long battle of bumpy greens. This is our

way of saying Thank You for being so patient and sticking with us over the past few years.

We have built a junior-sized baseball field at the end of the driving range. The field is available for use by anyone who wishes to do so.

Don't forget about Pickleball!! You can use the court for Free and check out the paddles in the golf shop.

We have several new families to welcome to the neighborhood so introduce yourselves and come by and meet us in the clubhouse and the grill. Friday night family night is a great way to get to know your new neighbors.
