### Clubhouse

New this year!! Please watch for new merchandise in the golf shop in 2015. We will be expanding the merchandise lines to include GPS, rangefinders, outerwear and eyewear. Also remember that the staff can order most any golf item you want. We have a small shop but can special order from all the major golf brands.

We now carry Bridgestone Golf Balls! Look for the Bridgestone E6 and E7 golf balls in the golf shop. Still to come is the Callaway Chrome Soft in white and yellow and the E6 in yellow.

Now in the golf shop purchase your 2015 Gulf States golf pass. The golf pass costs \$50 and gives you discounts on 72 golf courses across Mississippi and Louisiana. You will get \$50 in savings from just 2 uses of this book; plus receive a free pass to any 1 of 4 PGA, Champions or Web.com Tour events in the Gulf States. This book is a great value for anyone that likes to golf and especially if you enjoy playing multiple courses.

Elm Lake is offering Associate/Social Memberships for residents who do not play golf. Associate Memberships are \$50 per month. Please see Joseph for further details and a list of benefits. Elm Lake really needs **ALL RESIDENTS** to help support the club to ensure our financial stability. Please do all that you can to help get involved in your community and encourage your neighbors as well.

### From the Course

Thank you to Chad Bell who purchased a chemical for us to spray the greens and kill the Poa Annuua that is invading. The Poa usually takes over during the winter and highly effects ball roll on the greens by creating uneven surfaces. We will be applying this chemical on

February 4<sup>th</sup> and expect to see the Poa dying out in the next 10 days. Thank you very much for the help Chad!!

With February here we can officially begin looking forward to spring and some warmer weather. In just 5 weeks we will see longer days with daylight savings time, and hopefully we will begin seeing some green grass in 6 weeks. As we enter the spring (and always) PLEASE remember to fill divots and fix ball marks at all times. Even when the grass is dormant this will ensure the course is ready and healthy in the future. It **IS** every player's responsibility to fill divots and fix ball marks.

Winter is here and that means the potential for freezing weather. Please be sure to watch the forecast for freezing temperatures and call the course to ensure we have not covered the greens. Covering the greens during extreme temperatures is necessary to ensure the plant health and green up in the spring.

### From The Grill

The Elm Lake Grill remains closed and will likely be so until spring. The management will look to hire and have the space filled starting on April 1. Thank you to those who have supported the grill in the past and we hope even more of you can help support in the future.
