This is a fun event with an exciting format and we encourage all members play. We do encourage you to play with a guest that is a prospective member of Elm Lake and help our family grow.

From the Course

All golfers need to check in with the golf shop before play. We need to know who is on the course at all times. Always check in please!!

With the temperatures beginning to warm up, about 4-6 weeks late, we are seeing some green-up in the greens and we should start seeing them fill in. We will continue to make sure the greens have plenty of water on them; unfortunately this means that the green surrounds will stay wet as well.

We have begun verticutting the putting surfaces and will continue to do so bi-weekly. This process will encourage lateral growth of the grass and will smooth out the surface. We will also continue aerify the greens bi-weekly to encourage root growth. We are scheduled to aerify the greens and pull cores on July 29th.

We have built a junior-sized baseball field at the end of the driving range. The field is available for use by anyone who wishes to do so.

Don't forget about Pickleball!! You can use the court for Free and check out the paddles in the golf shop.
