The party this year will be at the Elm Lake Clubhouse beginning at 6pm.

The 2014 Arbore Cup vs. Green Oaks has been rescheduled. The Arbore Cup will be played on September 20<sup>th</sup> instead of the 27<sup>th</sup>. We would like to encourage volunteers for the Handa Cup at Old Waverly on September 27, 28<sup>th</sup>.

Family Night is back!! Family Night will take place on Friday, June 6<sup>th</sup> beginning at 6:30pm. This event will be open to all members and homeowners. Elm Lake is now offering Associate/Social Memberships for residents who do not play golf. Associate Memberships are \$50 per month. Please see Patti or Joseph for further details and a list of benefits.

We would like to thank our homeowners who have shown their support by joining as Associate Members in April. A very big thank you goes to: Bill & Helen Ward, and Andy & Shelly Buffa.

Also, welcome new member, Luke Holman who joined the club in May.

Members you can now book your tee times online. Simply go to our website and click on 'Book a Tee Time' and go to 'Member Tee Times'.

All Golfers must check in with the golf shop prior to play. Please make your tee times and check in with the golf shop attendant when you arrive.

All golfers are required to share a golf cart. Cart fees are based on double occupancy, not single. Only golfers who own their own cart are privy

to playing without a rider. Thank you for your understanding in this manner.

### Clubhouse

Check out the newest in golf technology! The Game Golf system is now in the Elm Lake Golf Shop. Digitally track your stats during your round and help improve your game. This GPS system allows you to see your stats and compare them against PGA Tour pros.

Ladies Lunch and Crafts will be meeting on Tuesday, June 13<sup>th</sup> at 11AM. We will order lunch and then start on our craft. Please call Patti at the clubhouse for a supply list. Invite a friend or neighbor to join us.

### From the Course

In the past 3 weeks we have committed to a heavy fertilizer program on the putting greens and so far the difference has been very noticeable. The grass color on the greens is a deeper/healthier green than has been seen in the last 5 seasons. We will continue to fertilize, topdress and solid tine aerify as we see necessary in order to fill in some of the weaker areas. We thank you for the patience you have shown in the past years and for believing in us. We now believe that we have the recipe for success and believe that by seasons end the greens should be filled in.

PLEASE remember to fill divots and fix ball marks at all times. This is extremely important to ensuring the course is at its best in the future.
