Golf Shop News

Welcome New Members!!

Please join us in welcoming our newest golfing members Mitch Elkin and Steve Jordon to Elm Lake.

The board and staff has decided to fill and grow in the bunker on hole #17. We will reshape some of the dirt in the near future but for now you can play that bunker as ground under repair and do not need to play from it.

There are stones in a few bunkers on the back 9 and we will be skimming these out as we get time. These bunkers are still in play, we just had a load of sand that contained stones. We apologize for this inconvenience.

All Matches are now posted in the golf shop for the 2018 Match Play Club Championship. Please be diligent about playing each round of matches every 2 weeks so we can be completed by Labor Day. This year we are playing all brackets as double elimination. Match rules are also posted in the golf shop. Playing the ball up will only be premised when/if it is cart path only.

If you are a member on the unlimited range ball plan that is intended for you alone; not your family or friends. It is not fair for some to pay for balls while others do not. You yourself are also not allowed to hit balls if you did not 1) purchase a bucket or are 2) not on the range plan. If you are seen violating these policies you are subject to a \$20 fee on your next months billing.

Please also bring in any unused balls so others cannot hit leftovers for free.

Wednesday's Team Event Starts 5pm

June 21st - Coca Cola Junior Tour 8am-1:30pm

Fundraiser Scramble @ 1:30pm

Nov. 22nd - Thanksgiving Day - Course Closed

Dec 25th - Christmas Day - Course Closed

We have been overly lenient with the number of member suspensions in the past and it is time to write a new policy. We do understand that life happens, but most surgeries and injuries have less than 6 week recovery time anymore. From this notice forward, membership suspensions will only be given when that suspension is for a minimum of 90 days. After the 90 plus days, a 12 month minimum activation will be required to restart membership. We do not want to begin membership initiation fees at this time, but we need to sustain our revenue to match our personnel and other expenses. Thank you all for your understanding.

From the Course

Summer is here, heat is here, grass is growing! We realize that we have fallen behind on some things; but with 2 new employees joining our crew we can hopefully catch back up and continue to make Elm Lake the best it has been! Thank you all for the kind words as you have expressed your delight in the condition of the golf course. We value your feedback!

From Tee's

Come try our chef's weekly creations and be watching for menu changes. Don't see what you like....just ask for Chef Vernita and Crystal to make your plate just how you like!!!

We have decided on new hours and will be closing from 2-4:30pm on Wednesday-Friday.

Community Support - From the Board

We are all very lucky as residents and/or as members of Elm Lake to have the community and facility that we do. If we want to continue to have these amenities **WE ALL** need to become a supporting part of our community.

1) Pay your HOA fees

It's only \$10 per month. Without your help we will not have street lights and we cannot improve landscaping around the medians, roadways and mailboxes.

2) Support Tee's restaurant

Having great food within walking distance is a luxury. However if you only patronize every couple of months we will lose this luxury. Do yourself a favor and try Tee's. It is excellent, convenient, friendly, and keeps our community a special place to call home.

3) Support the Golf Course

Joseph and his staff have worked indescribably hard at making the course what it is today. Support the course with as little as \$50 per month for an associate membership.
