Golf Shop News

Daylight savings time begins on March 9th so the golfing season is about to begin. With the days getting longer and the weather starting to warm up it's time to get those clubs out of the closet and get ready for a great season. We have made a lot of changes in the past few months and we hope you are looking forward to 2013 as much as we are.

Beginning on Saturday, March 30th we plan on opening earlier on the weekends and beginning the first tee-time at 7:00am. An 8:00am start time will remain Monday-Friday.

The Elm Lake MGA invites you play to in their 1-man scramble on Saturday, March 16th at 10:00am. Cost for the event will be \$15 for MGA members and \$25 for non-MGA members. Public golfers are also invited to play for a guest greens fee of an additional \$30.

If you would like to join the hole in one club contact Joseph or Patti in the golf shop and we will sign you up for just \$5. Each time a hole in one is made and paid you will automatically be billed for \$5 to re-stock the "kitty".

Don't forget about Pickleball!! You can use the court for Free and check out the paddles in the golf shop.

Clubhouse

Attention Ladies!! We are looking to start a neighborhood group to meet monthly. Please join us for lunch and crafts on Tuesday, March 5 in the Clubhouse at 11am. Please see flyer posted on the mailboxes for more information.

We ask that all used golf clubs be removed from the golf shop on April 1st. After this date any clubs left on the rack will be donated to Palmer Home. We will be discontinuing the used club service as we begin to build up inventory and would like the floor space for new and fresh merchandise. Thank you.

We tentatively plan on starting the monthly Movie Night on Friday, April 5th at 7:00pm. The first movie night featured The Lorax and a crowd of 60 came for the inaugural event.

ALL member events, couples leagues, airifications, movie nights, etc. have been scheduled for 2013. You can view all upcoming events on the online calendar at www.elmlakegolfcourse.com. Please view the schedule now so you can participate in as many club events as possible. Dates and times are subject to changes.

We also post the monthly newsletters online so you can view them at any time.

From the Course

We are building a junior-sized baseball field at the end of the driving range. In a few weeks the field should be ready for use by anyone who wishes to do so.

We have transplanted approximately 400 new trees around the course this winter so be sure to read the new rule posted in the golf shop regarding new/young trees.

We will be adding a drop zone to Hole #17 as soon as the grass begins to grow. We will place this drop area near the left hand turn in the cart path in order to speed up play. Like Hole #18's tee shot, no matter where your ball enters the water, you must play your next shot from the drop zone as a local rule. Look for this addition very soon.
