The 2015 tournament and event schedule has been started and posted. We have not yet scheduled the Member events or Championships but have begun scheduling corporate and charity events. All Elm Lake events are always available on our website. Please take a look at the schedule when planning your vacations so you can participate in as many events as possible. Family Nights have also been

Clubhouse

New this year!! Please watch for new merchandise in the golf shop in 2015. We will be expanding the merchandise lines to include GPS, rangefinders, outerwear and eyewear. Also remember that the staff can order most any golf item you want. We have a small shop but can special order from all the major golf brands.

Now in the golf shop purchase your 2015 Gulf States golf pass. The golf pass costs \$50 and gives you discounts on 72 golf courses across Mississippi and Louisiana. You will get \$50 in savings from just 2 uses of this book; plus receive a free pass to any 1 of 4 PGA, Champions or Web.com Tour events in the Gulf States. This book is a great value for anyone that likes to golf and especially if you enjoy playing multiple courses.

Please remember to book your tee times. With spring arriving and expecting improved playing conditions, the course is likely to be an increased number of players. Please make tee times so we can assure you a spot on the course. Members are allowed to book tee times 2 weeks in advance and public just 1 week.

Elm Lake is offering Associate/Social Memberships for residents who do not play golf. Associate Memberships are \$50 per month. Please see Joseph for further details and a list of benefits. Elm Lake really needs **ALL RESIDENTS** to help support the club to ensure our financial stability. Please do all that you can to help get involved in your community and encourage your neighbors as well.

From the Course

March is here and warmer temperatures will be too! The golf course should begin to green up this month and it will be nice for us to get back to work. February has been a brutal month with the greens being covered on 3 different occasions and 6 inches of snow. In fact, the course saw just 38 rounds of golf last 14 days of the month!!

Homeowners, if you have not done so already, make sure you put out any pre-emergent before March 15th to keep summertime weeds from coming up. Sharpen your lawn mower blades before spring and let's get ready to cut some grass!!

From The Grill

We are now interviewing tenants for lease of the Elm Lake Grill. Beginning on March 1st we are running a classified ad for 2 weeks and will be interviewing for the month of March. We hope to hire and have the space filled beginning April 1st. If you or someone you know may be interested, rent is \$300 plus cost of propane. Call or email Joseph at the clubhouse for more information.
