### **Golf Shop News**

The Board of Directors has come up with a new policy for your out-of-town guests. When you, the member, bring guests to play they will always receive a discounted rate of \$30. We now have a new rate of just \$25 if that guest resides more than 100 miles away. This larger discount will make it easier for you to bring guests multiple days in a row when they are visiting. Guests will need to show ID stating they live 100 miles away and will need to be playing with you, the member.

### **6<sup>th</sup> Annual Arbre Cup**

On Saturday, November 7<sup>th</sup> you're invited to come out to Green Oaks and watch your fellow members take on the members of Green Oaks. This annual event has become tradition and we take pride in the camaraderie we have built over the past 5 seasons. This 27 hole competition features 16 Elm Lake members vs. 16 Green Oaks members in three separate, 9 hole competitions.

The golf shop has gotten a facelift! If you have not been to the golf shop lately you need to come in and see our new arrangements. We have installed slat wall to the golf shop to

increase retail space and variety. Because of this addition we will be able to carry a larger variety of items. Soon to arrive is outerwear from Ping Apparel and Sun Mountain!

### **Welcome New Members!!**

Please join us in welcoming our new members Matthew Boerger and Robert Barnes to Elm Lake. Please introduce yourself to these new players and make them feel welcome at Elm Lake. Improved greens and overall conditions have led to an increase in membership by 45% this season. Thank you to everyone for sticking with us and trusting our ability to get the greens back in great playing shape!!

### **Veterans Day**

Veterans Day is on Wednesday, November 11<sup>th</sup> and Elm Lake is offering all Military Personnel free cart fees that day. Active duty military still receive their 20% off greens fee and retired still earn 10% off greens fee. All military personnel get free cart fees for the day with a valid ID. If you are a homeowner and would like to show your thanks, set up a booth in your backyard with snacks, drinks or just a thank you banner to honor those who have and are serving!

### **From the Board of Directors**

We would like to thank all the members who have stuck with us these last few years. With all the issues we've had with the greens. We still have some work to do but we feel like we have turned the corner and things are looking up. Due to all the hard work the staff has done. We now have a golf course we can be proud of. The board would like to give the staff a year end bonus. We would like to give the member a chance to contribute to this fund. So next month we are adding 10 dollars to your bill. You can call elm lake anytime during the month of November if you do not want to contribute. We

will remove it from your bill. Thank you for all your support.

Groups with 4 players have priority on the golf course. Please understand that groups of 1 or 2, although faster, **DO NOT** have priority on the golf course.

### **Restaurant is Open!!**

### **New Items**

Be on the lookout for daily specials and with colder weather also look for soup specials. It is time to start booking your holiday parties at Elm Lake. Please see Becky or Jonathan at Tee's to talk about your family or corporate party.

### **From the Course**

November is upon us and with that comes colder weather which means **FROST**. We have already had our first frost of the season which occurred on October 19. Please be alert for frost on cold mornings. When frost is a possibility we will issue a frost delay and will not allow play until the delay is lifted.

We are also beginning to enter the rainy season and some areas that are usually dry will start to become more saturated. Please be aware of these areas and direct your cart traffic accordingly. Keep in mind that it is **CART PATH ONLY** around tees and greens and on ALL Par 3's.
