Please join us in welcoming our newest golfing members to Cole Knowles and Chris Habel to Elm Lake.

The Elm Lake Board would like to announce that we will again be invoicing all golf and associate members \$10 on December 1st. The \$10 will go directly to the staff of Elm Lake as a Holiday bonus. If you would like to opt out of this bonus you must notify Joseph Hanko or a board member in writing prior to November 28th. Additional amounts will be accepted and can also be added to your December 1st invoice, just notify Joseph Hanko or a member of the Board.

On October 20th Justin and Joseph traveled to a golf course equipment auction in north Alabama. The guys were able to scoop up some equipment and chemicals for next season while saving around \$10,000 over retail/market value.

From the Course

The first frost of the year has come and gone which means the growing season is officially

over. Please keep in mind that with frost comes frost delays. It is essential for the health of the grass that we keep workers and golfers off the turf during freezing temperatures. Thank you for your understanding.

We have begun our winter tree limb up and removal. We have already removed one tree around 7 green and will remove a couple more by next spring. We will also continue to limb up low hanging limbs around the course.

This winter we will be undertaking a bunker renovation. This will involve excavating the current material down to the base, adding a liner, and adding fresh sand. We will focus our efforts on green side bunkers first and then move to fairway bunkers.

From the Restaurant

Our first month is behind us, and we want to shout “THANK YOU” to everyone in the Elm Lake Community for such a warm welcome. We're so happy to be apart of such a wonderful community!

We will be open for business the week of Thanksgiving on Monday and Tuesday from 11am to 9pm, and Wednesday from 11am to 4pm. We will be closed for the holiday starting at 4pm on the 22nd through the following Tuesday, November 21st.
