### Golf Shop News

The 2014 Arbre Cup was played on September 20<sup>th</sup> at Elm Lake. The 27 hole competition between us and Green Oaks consisted of 3 separate 9-hole matches. Green Oaks got out to an early lead during the scramble matches and Elm Lake charged during the four ball matches giving Green Oaks a 2 shot advantage going into the 16 singles matches. In the end Green Oaks came out on top with a 3 point victory. The event was capped off with a dinner served by the Elm Lake Grill. Catfish, pulled pork, sides and deserts were enjoyed with high praise. Congratulations to Green Oaks on their victory and thank you to all who played and represented Elm Lake this year. Next years matches will be played at Green Oaks.

Elm Lake is going to hold a 1 player scramble on Saturday, October 25<sup>th</sup>. For this event we will be playing all 18 holes to an 8" cup. This is almost double the size of a standard 4 1/2" hole. This is meant to be a fun event where players of all abilities are welcome. This will be a flighted event based on which tees you play, based on age. We hope to fill this event causing the course to be closed for most of the day. For

more information or to sign up for this event please ask in the golf shop or watch your e-mail. Check the website and your e-mail for more information and for signup forms.

Thank you to all of the Elm Lake members who volunteered for the ISPS Handa Cup at Old Waverly on September 27<sup>th</sup> and 28<sup>th</sup>. We need events like this to help grow the game in the Golden Triangle. Thank you for helping USA Legends win the cup and for helping grow the game of golf.

Players, please understand and know that the driving range is closed on Wednesday evenings beginning at 5pm. The range must be mowed on Thursday mornings and it will not open until complete. Please do not hit range balls that are in private carts, on putting green or found anywhere else onto the driving range. Cut golf balls cost are an expense that is unnecessary and can be avoided. Please contact the golf shop if you are unsure about times the range is open.

### From the Course

In late September all 19 putting greens were treated with pre-emerge to limit the amount of Poa Annu grass this winter. We also treated the collars around the greens as well as the tee boxes with a pre-emerge application. We hope this helps keep the course much cleaner for the winter months.

PLEASE remember to fill divots and fix ball marks at all times. This is extremely important to ensuring the course is at its best in the future.
