Golf Shop News

Congratulations to Robert Manley who made a Hole in One on Friday, August 23! He was on hole number 3 using his pitching wedge. Robert is in the Hole in One club and received a check for \$115.00. If you would like to be a member of the hole in one club, let us know. The cost is \$5.00 and you have to have 2 witnesses when you make the hole in one. Each time someone wins, everyone pays the \$5.00 back to kitty again.

Please join us in welcoming our newest members Melissa Fitch and Heather Hanna to Elm Lake.

From the Course

A few of you have volunteered and suggested that we look into purchasing a few more directional sprinkler heads for around the putting greens. These heads will reduce the muddy areas around the greens and allow for balls to bounce/roll onto the green. If you would like to volunteer to purchase one of these heads they cost \$75 each. Please see Joseph or Patti if you would like to help. Thank you.

We have built a junior-sized baseball field at the end of the driving range. The field is available for use by anyone who wishes to do so.

Don't forget about Pickleball!! You can use the court for Free and check out the paddles in the golf shop.

We have several new families to welcome to the neighborhood so introduce yourselves and come by and meet us in the clubhouse and the grill. Residents are welcome to use nextdoor.com to stay in contact with one-another.
