Something About That 15th Hole

Congratulations to Reese James who made his second Hole In One of the year! On August 12th James aced the 15th hole with a 6 iron. James' other ace was also on the 15th hole in June this year. James was not a member of the Hole In One club but perhaps he will be now.

Congratulations also go out to Drew Spradley who made a Hole In One on Sunday, August 24th. Spradley also aced the 15th hole, doing so with his 7 iron and in front of 3 Air Force coworkers.

From the Course

As you may have noticed we have been spraying the rough areas on the course in an attempt to kill off some weeds. It has been an opportune time to spray with the dry weather and we hope that this will slow the weed growth going into fall and make the course cleaner next spring.

PLEASE remember to fill divots and fix ball marks at all times. This is extremely important to ensuring the course is at its best in the future.
